Senior Designer

& Strategist

Feb 2015—Jan 2017

Successfully led an effective rebranding & recruiting initiative that distinguishes CoxReps as experts in media analysis. Led two Designers and a Copywriter with the goal of identifying additional ways to communicate and improve business performance using Cox predictive analytics data.

- *Worked alongside executives in identifying brand elements to carry forward and reshape into a brand that envisions the company's future.*
- *Developed branding, logo, color palette, typography, brand guidelines, recruiting materials, micro-site, and job-fair banners.*
- *Collaborated with Data, Research & Analytics Teams in designing sales pitches, presentations, newsletters, emails, and infographics.*
- *Installed Basecamp as a project management system, increasing bandwidth across teams, and eventually the entire company.*

GAMUT MEDIA

WWW.GAMUT.MEDIA

Senior Designer

Jan 2015—Feb 2015

In an organizational redesign to better utilize key talent, worked with Gamut Media in a short-term assignment to help their team create a more effective branding strategy.

- *Designed a full spectrum of materials focusing on media solutions, including email campaigns, whitepapers, data visualizations, infographics, internal messaging, presentations, and sales sheets.*

COLLECTIVE MEDIA

WWW.COLLECTIVE.COM

Senior Designer

Dec 2011—Feb 2014

Collaborated with Sales, Product Development, and Data Science teams along with the Creative Director in a deadline-driven environment creating strategic concepts for brand campaigns, infographics, dashboards, presentations, motion graphics, websites, and whitepapers. Provided constructive feedback and direction on advertising strategies and creative planning to inhouse and freelance designers and coordinated with Production and Project Managers to ensure timely delivery of projects.

- *Designed email campaigns, whitepapers, data visualizations, infographics, internal messaging, presentations, and sales sheets.*
- *Helped redesign and migrate the website from Drupal to Wordpress.*
